

Who Else is Giving You Flowers this Month?

(I'll bet no other repair shops!)

Why are we doing this? Just to show how much we LOVE our clients ...

Stop in any time during February and get a **FREE rose!**

Keep it for yourself or give it away
(Women still love to get flowers)

No Purchase Necessary!!

Stop in and Pick up your **FREE rose** to keep or give it to someone like your wife, daughter, mother, grandmother or that someone special in your life or... Make somebody's day like that cashier that takes such good care of you every time you go the store!
